Request for Class II Permissive Change

FCC ID: AU792U13A16858

Date: February 12, 2020

TO: Federal Communication Commission

Please be notified that we, the undersigned, **FireHUD Inc.** declare that the reasons for this Class II permissive change are as below:

	Original	Present	Remark
Product Type	Single Module	Portable device	Portable device contains the single module
Product Name	Transmitter Module	FireHUD Band	N/A
Model Number	MTXDOT-NA1	1	N/A
Data Rate	125kHz & 500kHz	125kHz	Portable device only uses 125kHz Data Rate
Antenna Type	External Dipole Antenna	Internal Ceramic Antenna	N/A

We attest that there is no any other hardware and software change to the module.

Therefore, we only perform the RF Exposure evaluation with this portable device.

Sincerely,

Tyler Sisk

FireHUD Inc.
