Since the module is too small to put the FCC ID even with the font size 4 point, according to the FCC Regulation and Guidance (KDB Publication 784748 D01 v09r01) which allows the FCC ID to be moved onto the user manual and packaging if the device is unquestionably too small for the FCC ID to be printed, we have to put the FCC ID on the user manual and packaging.

Module appearance
The module size is 10.0*8.0mm. There is no enough space to put the FCC ID besides other mandatory marked information.

The label will be placed on the anti static/humidity bag
