Bottom & Rating

CAUTION
RISK OF ELECTRIC SHOCK
DO NOT OPEN

This product complies with DHHS rules 21 CFR sub-chapter J, applicable at the date of manufacture.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IC: 2879A-NSBBTCD01
 FCC ID: AUNSBTCD01

INSIGNIA Model: NS-BBTCD01

Power Source:
 DC \equiv 9V 1.8A \ominus \oplus
 DC \equiv 9V (6 x 1.5V "C", UM-2 or R14 Size Battery)

USB Charging Output: 5V \equiv 1A

Frequency Range:
 FM : 87.5 – 107.9 MHz
 AM : 530 – 1710 KHz

Manufactured for Insignia Products
 7601 Penn Ave S. Richfield, MN 55423 USA
 Made in China

CLASS 1 LASER PRODUCT
APPAREIL LASER DE CLASSE 1
PRODUCTO LASER DE CLASE 1
