

Declaration about Application Model and Tested Model

April 7, 2015

UL Japan, Inc.
4383-326 Asama-cho, Ise-shi,
Mie 516-0021 Japan

FCC ID : AX2QY5120
Applicant: Clarion Co Ltd

To Whom It May Concern:

This application models, QY-5120 and PH-3782, are essentially the same device with the tested models, QY-5092 and QY-5111.

For the differences among these 4 models, please refer to "Theory of Operation-Differences".

These differences cause no influence to radio specification.
There is no degradation of EMC characteristic.
We consider them electrically identical.

Sincerely,

Masahiko Shibata
