Subject: Type Acceptance for FCC ID: AXATR-392 (AXATR-392-A2)
Confirmation Number: EA 93434

To Whom It May Concern:

Ericsson Inc. requested a grant of Type Acceptance for the above mentioned FCC Identifier on March 5, 1999. In completing the 731 form, the last part of the FCC identifier was mistakenly left off (-A2). The correct FCC ID, item 3 of the 731 form, should read TR-392-A2. The complete FCC ID is AXATR-392-A2. Please correct the FCC ID on the application. If you have any questions, feel free to contact me.
