

A close-up photograph of a black, cylindrical transmitter. At the top, there is a gold-colored antenna with a white plastic cap and a small gold contact point. The word "sync" is printed in white on the black body. Below that, a silver-colored band contains the text "FCC ID: AYV-TCBXX". At the bottom, a silver-colored metal base is visible with two small screws.

sync

FCC ID: AYV-TCBXX
