

To whom it may concern

6th December 2010

Motorola
8000 West Sunrise Blvd
Room 5K3
Plantation, FL 33322

Commercial Power of Attorney for type approval in several countries

The company 7layers AG has been contracted by *Motorola* to obtain "Radio Type Approvals" for the following electronic component manufactured and/or released by Motorola:

MNUK6000

The following persons at 7 layers AG will be authorized:

Patrick Lomax
Carsten Steinröder

Unless future correspondence from Motorola directs otherwise, please extend your full cooperation to 7 layers regarding matters to the above mentioned products for the period beginning August 16th, 2010 through end of the project date. Thank you.

Sincerely,

x 

/s/ Mike Ramnath (signed)
