

Date: December 13, 2011

UL Japan, Inc.
4383-326 Asama-cho, Ise-shi,
Mie 516-0021 Japan

To Whom It May Concern:

Regarding the application which was granted under the FCC ID: AZD214 on December 12, 2011, we, Canon Inc. would like to request to supersede the test report exhibit, as it has been noticed that the SAR test report includes confidential information. We would like to be 180 days short-term confidential as follow as declaration for the photograph of EUT.

Sincerely,

Kiyoshi Sahoyama
Manager
Image Communication Products Safety Promotion Dept.
Canon Inc.
