

Annex A to Test Report No. 55503-00742-1

Photographs of Test Setups

Photo No. A1

Test setup for carrier power parameters (conducted)

Photo No. A2

Test setup for radiated emission pre-test 30 MHz - 1 GHz
(semi anechoic room)

EUT in vertical position, antenna to the top

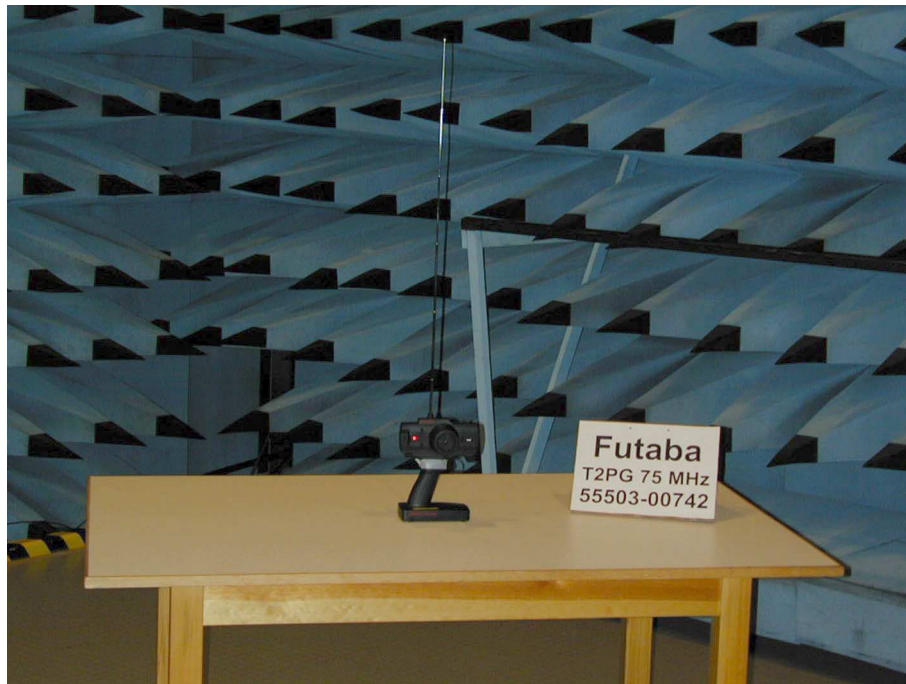

Photo No. A3

**Test setup for radiated emission pre-test 30 MHz - 1 GHz
(semi anechoic room)**

EUT in horizontal position, antenna to right hand side

Photo No. A4

**Test setup for radiated emission pre-test 30 MHz - 1 GHz
(semi anechoic room)**

EUT in horizontal position with back side on table

Photo No. A5

**Test setup for radiated emission final test 30 MHz - 1 GHz
(open area test-site)**

EUT in vertical position, antenna to the top

Photo No. A6

**Test setup for radiated emission final test 30 MHz - 1 GHz
(open area test-site)**

EUT in horizontal position, antenna to right hand side

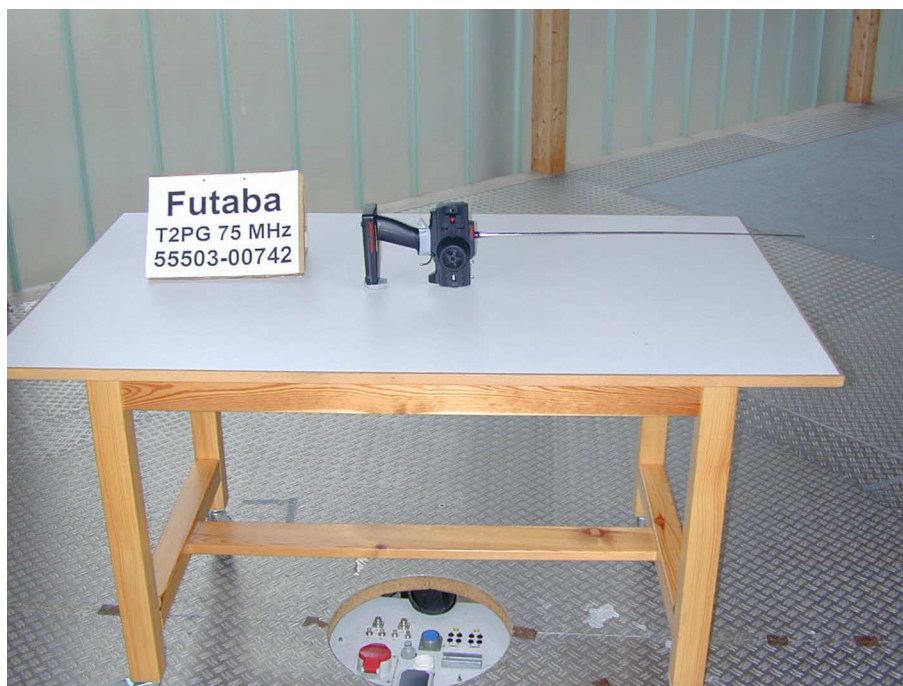

Photo No. A7

**Test setup for radiated emission final test 30 MHz - 1 GHz
(open area test-site)**

EUT in horizontal position with back side on table
