

## CONSTRUCTION PHOTOS OF EUT

Brand Name: Verifone / Model Name: CM5P

| Product                 | Brand               | Model         | Description  |
|-------------------------|---------------------|---------------|--|
| Adapter 1<br>(US Plug)  | Verifone            | VF0602        | I/P: 100-240Vac, 50-60Hz, 0.3A<br>O/P: 5Vdc, 2A<br>0.95 m shielded USB Type C cable w/o core |
| Adapter 2<br>(CE Plug)  | Verifone            | VF0600        | I/P: 100-240Vac, 50-60Hz, 0.3A<br>O/P: 5Vdc, 2A<br>0.95 m shielded USB Type C cable w/o core |
| Adapter 3<br>(AUS Plug) | Verifone            | VF0603        | I/P: 100-240Vac, 50-60Hz, 0.3A<br>O/P: 5Vdc, 2A<br>0.95 m shielded USB Type C cable w/o core |
| Battery                 | Verifone            | BPK278-502    | 3.7Vdc, 6200mAh, 22.94Wh   |
| BT/WLAN Module          | Quectel             | SC20-W        | --   |
| CTLS chipset            | ST Microelectronics | ST25R3911B    | --   |
| USB Cable               | Verifone            | CBL087-500-01 | 0.95 m shielded cable w/o core   |

\* Adapter 1, Adapter 2, and Adapter 3 are electrical identical which circuit and design is the same, only different in plug. Therefore, client only provided Adapter 1 as a representative for test.
