Re: Request for confidentiality

Applicant: VeriFone, Inc.

FCC ID: B32VX670BT

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by VeriFone, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

All of the items listed below

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list
- Internal photos (High security device used for confidential identification & monetary transactions)
- User manual (professional installation and/or software developers with appropriate licenses from Verifone, Inc only)

Rationale for request for confidentiality:

VeriFone, Inc. has invested considerable time and materials in research and development to produce the referenced product. [*Permanent confidentiality*: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.]

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Mark Cleary".
