

Class II Permissive Change Letter

FCC ID: B32VX810-CTLS (Grante Date : Nov 17 2008)

Trade Name: VeriFone

Model No.: VX810 CTLS

Applicant: VeriFone Inc.

For this new revision of Contactless Module, there is no hardware change; only a firmware update was done to change the RF output power. The max output power rating of the device does not change.
