December 8, 2011

Dear Madam/Sir,

Re: Declaration

We would like to apply for the class II change of our product below that is already approved by FCC and IC in the past.

We would like to enlarge the approved conditions from Mobile to Portable since the conditions are changed to install this module to its host devices. Therefore we enclosed the SAR evaluation result to comply with applicable standards. However, we herein declare that there are no technical changes made on this module and RF characteristics remain the same as the approved conditions:

Product description:	WLAN Module
Type designation:	WYSAGBUX7
Trademark:	brother
FCC ID:	B3Q-WYSAGBUX7
FRN Number:	0011532942
FCC Certificate No.:	09218405/AA/00
IC ID:	1112C-WYSAGBUX7
IC Certificate No.:	09217128/AA/00

Sincerely,

Takashi Fujiwara
Team Manager
Electronic System Development Dept.
