

0604070155

The image shows a green printed circuit board (PCB) with a complex, elongated rectangular shape. It has a central rectangular cutout. The board is populated with gold-colored conductive traces. On the left side, there are two small, circular red components, possibly LEDs or sensors, connected by thin gold traces. On the right side, there is a circular hole. A white rectangular label is affixed to the left side of the board, displaying the number '0604070155' in black text. The board is set against a plain, light-colored background.
