PERMISSIVE CHANGE

APPLICANT: Titan Corporation

FCC ID: B3TG25RPV100

On behalf of the Applicant, please consider this letter as a request for a Class II Permissive Change under Section 2.1043(b)(2) of the Rules.

A new helical whip has been added. The radio with the new antenna has been tested for SAR Compliance for face-held and body-worn configurations by Celltech Research Inc. The SAR Report is uploaded in the RF Exposures Exhibit.

The radio continues to meet the performance characteristics as reported to the Commission at the time of the initial Certification.

Sincerely yours,
