

It has come to my attention that The FCC ID number on the Label does not match the FCC number on Form 731. The Correct FCC number is: **B4A-679A-95-DWS**. Please correct Form 731 to reflect this FCC ID number.

Also included is a new set of attachments reflecting the correct FCC ID number, please disregard the first set of attachments.

Please refer any questions about this submittal to KenL.Nelson@Interlogixinc.com

Thank you.
