

UTC Fire & Security

A United Technologies Company

Date: 18 May 2012

Class II Change Description **TX-6010, 60-848, 60-849 Smoke Detector**

The components used on the TX-6010, 60-848, 60-849 smoke detectors were changed from leaded to surface mount. The functionality of the device is identical to the product previously approved by the FCC under the B4Z-773A-SMOKE DWS FCC ID number and by IC under the 8671032273 IC number.

Thank you,

Kevin Flanders
