Subject: Request for Confidentiality for **FCC ID# B4Z-855-NODE**

Gentlemen:

On initial filing, we inadvertently omitted our request for confidentiality regarding several sections of this application.

If possible, we would like the following sections of this application to be placed in the nonpublic file. This is necessary to protect proprietary information in these documents.

- 1) Block Diagram
- 2) Schematics
- 3) Operational Description
- 4) Main Test Report Document

Thank you for your help.

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul Saldin', on a light-colored background.
