Overview

UTC Fire and Security is submitting this application for a class II permissive change for their model AVO-BTWIFI with Bluetooth and WIFI radios, FCC ID: B4Z-958F-BTWI, in order to change the existing approval to a limited modular approval. The device will be professionally installed into 2 host devices: Model AVO-1037 Advisor One Security Panel and Model AV-TS7 Advisor 7" Touchscreen.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.

Signature

A handwritten signature in blue ink that reads "Dave Tolman".
