Overview

UTC Fire & Security Americas Corporation, Inc. has submitted a separate application for the Class II Permissive Change of their PCS Licensed Transmitter, FCC ID: B4Z-944E-3G. It is part of a composite device that contains the subject of this application - the Bluetooth transceiver FCC ID: B4Z-962D-BT.

There have been no changes made to the Bluetooth radio or its antenna. All the exhibits that are on file with the Commission for the Bluetooth radio continue to be representative of production units.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.

SignatureA handwritten signature in blue ink, appearing to read "G. Kiemel", is written over a light blue grid background.
