

GE Security

6/5/2009

Subject : Request to change in Identification.

Dear Regulatory Authority,

This Change of Identification request applies for a new FCC ID as established in 47CFR 2.933(b) for a currently approved device. This application by GE Security will establish a new FCC ID: B4Z-TX-8300-01 under the GE Security grantee code for purpose of marketing. The original grant to Secure Wireless, Inc. will remain in effect.

Per 2.933(b)

1. The original identification is QNPEV-DW319C
2. The original grant date is 4/19/2005
3. The equipment is electrically identical. Only the model name, trade name, and FCC ID number are different.
4. The original test results are applicable and representative of this changed device.
5. Exterior photographs are included in this application.

The following files are electronically submitted as attachments:

Cover Letter

External Photos

FCC ID label format and location

Sincerely,

Rick Conner
