

Correction for EA96125

From:Telex Communications INC.
Charlie Conner

In fillling out form 731, item 3 today, FCC Grantee Code B5D was repeated
in error in the Equipment Product Code section.

Now reads B5DB5DB112.

Should Read **B5DB112**.

Please correct for me.

Also, the EA assignment is EA96125.

Thanks for your help and sorry to create the error.

Regards,

Charlie Conner
