Pursuant to FCC 47 CFR 0.457(d) and 0.459 and IC RSP-100, Section 10, the applicant requests that a part of the subject FCC/IC application be held confidential. Items requested to be held as permanently confidential are as follows:

Block Diagrams
Theory of Operation
Parts List
Schematics

Bosch Security Systems, Inc. has spent substantial effort in developing this product and it is one of the first of its kind in the industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Yours sincerely,

James Andersen
Principal Electrical Engineer (ST-CO/ENG3.31)
