Columbia, Maryland 21046

Attention: Equipment Authorization Branch

Subject: Certification for FCC ID: B5KKRC12103-31

Gentlemen,

Ericsson Radio Systems AB requests a grant of Certification (Type Acceptance) for the above mentioned FCC Identifier.

This base station is designed for use in the 1900 MHz Personal Communications Services, Subpart E of Part 24, and was tested using TIA/IS-136/IS-138 for operation in Cellular Systems. The base station will operate from 1930.08 to 1989.96 MHz.

This base station will operate at a maximum power out of 28 watts at the antenna connector of the TRX unit.

The statement concerning MPE compliance for this base station is contained in exhibit 11.

Ericsson Radio Systems AB requests confidentiality under CFR 0.459. Confidentiality for the following exhibit is requested
Exhibit 5.....Circuit Diagrams

Justification of this request is in order to protect the large investment in developing this technology and to facilitate the circuit miniaturization utilized in this design and protect the innovative design as well as proprietary techniques which are implemented. In order to protect Ericsson's competitive advantage on these proprietary techniques, we request the above listed exhibits be held as confidential and withheld from the Public Information File.

If additional information is needed, please contact me on the below listed number.

Sincerely,

Larry L. Roberts
Staff Engineer, Regulatory Programs
