

Attestation statement

Name: ACR Electronics, Inc.
Address: 5757 Ravenswood Road
City: Fort Lauderdale, FL 33312
Country: United States of America

Attest to the following:

This is the IC application for ACR Bivy Stick.

Bivy stick contains two radio modules:

1. Iridium Module having IC 4629A-9603N.
2. Bluetooth Module having IC 4492A-2832.

ACR Bivy Stick combines these modules with simultaneous transmission and reception abilities.

This application contains the necessary test reports and data.

Date: December 28, 2021
City: Fort Lauderdale, Florida
Name: Dan Stankovic
Function: Director of Certification and Test

Signature:

A handwritten signature in blue ink, appearing to read 'Dan Stankovic', written over a dotted line.
