Re: FCC Type Acceptance of Automatic Identification System (AIS) Class B
Equipment: AIS-300 (Nauticast-B)

To Whom It May Concern:

ACR Electronics hereby requests that the following attached documents be marked as confidential:

- Schematic Diagrams
- Detailed Operational Description
- Parts List/Tune-Up Procedure

These documents are submitted as Proprietary data, pursuant to 47 CFR § 0.459. These documents contain trade secrets and represent a significant development effort. The AIS market is highly competitive and allowing access to the referenced documents would give competitors an unfair advantage.

Feel free to contact me if any additional information is required. My email address is bfrench@acrelectronics.com and my phone number is 954-862-2135. Your cooperation is greatly appreciated.

Sincerely,

Bryan French
Technical Compliance Leader

Enclosure:

- Schematic Diagrams
