Reference: FCC ID: B66ACR-PLB-350  
Form 731 Confirmation Number EA535274

Subject: Request for Confidentiality for Documentation Submitted with Application for FCC  
Certification of ACR Electronics 406 MHz PLB, Model PLB-350

To Whom It May Concern:

ACR Electronics hereby requests that the Federal Communications Commission (FCC) maintain the Confidentiality, pursuant to 47 CFR § 0.459, of the following exhibits submitted as part of our application for Certification of our PLB-350 Personal Locator Beacon (PLB):

- Schematics
- Internal Photos (PLB-350 is a sealed device)
- Parts List/Tune-Up Info
- Operational Description

The drawings listed above are submitted as Proprietary data in accordance with to 47 CFR § 0.459; and Confidentiality is requested on the basis that they contain trade secrets of ACR Electronics and technical data that is normally guarded from competitors. Furthermore, this information represents a significant development effort and disclosure would put ACR Electronics at a competitive disadvantage.

Your cooperation is greatly appreciated. Please do not hesitate to contact me if you have any questions or if additional information is required. My email address is [bryan.french@cobham.com](mailto:bryan.french@cobham.com) and my phone number is 954-862-2135.

Sincerely,

Bryan French  
Technical Compliance Leader
