Form 731 Confirmation Number EA675870

Subject: Request for Confidentiality for Documentation Submitted with Application for FCC Certification  
of ACR Electronics 406 MHz EPIRB, Model RLB-36

To Whom It May Concern:

ACR Electronics hereby requests that the Federal Communications Commission (FCC) maintain the Confidentiality, pursuant to 47 CFR § 0.459, of the following exhibits submitted as part of our application for Certification of our RLB-36 Emergency Position-Indicating Radio Beacon (EPIRB):

- Schematics
- Internal Photos (RLB-36 is a sealed device)
- Parts List/Tune-Up Info
- Operational Description

The drawings listed above are submitted as Proprietary data in accordance with to 47 CFR § 0.459; and Confidentiality is requested on the basis that they contain trade secrets of ACR Electronics and technical data that is normally guarded from competitors. Furthermore, this information represents a significant development effort and disclosure would put ACR Electronics at a competitive disadvantage.

Your cooperation is greatly appreciated. Please do not hesitate to contact me if you have any questions or if additional information is required. My email address is [bfrench@acrelectronics.com](mailto:bfrench@acrelectronics.com) and my phone number is 954-862-2135.
