The information you requested is posted under the manufacturers data for ACR South Africa, FCC Product ID # O48ACRSA-MKII, It is currently being reviewed. The SART applications you are working on are vendor applications.

The same information should be added to the comments field for both SARTs, ACR Electronics, Inc B66ACR-SART-3 and Northern Airborne 05HNAT-SARTII.

*In response to action item 2.* List the following compliance to performance standards, IMO A.697(17), IMO A.694(17), ITU-R M.628-1 and EN 60945 in the comments field.

Do you really need anything from me on this? I'm thinking it should fall together once the Manufacturers data is approved. Please correct me if I'm wrong.

Best Regards,
