

## Request for Class II Permissive Change

February 9, 2017

Federal Communication Commission  
Equipment Authorization Division  
Application Processing Branch  
7435 Oakland Mills Road  
Columbia, Maryland 21046

FCC ID : B6B0941  
Applicant : Nihon Kohden Corporation

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: B6B0941, originally granted on February 6, 2017.

This was granted as Modular Approval in Mobile configuration. This time, this module is used in portable host device (TELEMETRY UNIT, Model: ZB-120A), therefore we performed SAR testing with the host devices.

Meanwhile we submit the following documents related to this change. There is no change before and after change except for these documents.

<input checked="" type="checkbox"/>	Test Report
<input type="checkbox"/>	External Photo
<input type="checkbox"/>	Internal Photo
<input type="checkbox"/>	User Manual
<input type="checkbox"/>	Label drawing/ location
<input type="checkbox"/>	Block Diagram
<input checked="" type="checkbox"/>	Specification
<input type="checkbox"/>	Schematic Diagram
<input type="checkbox"/>	Parts List

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,

Makoto Magara  
Nihon Kohden Corporation
