Ref: Application for Original Equipment Authorization for FCC ID: B94HNC11CPD.

Dear Examiner,

This is to request FCC Class II Permissive Change under FCC ID: B94HNC11CPD, originally issued 3/09/2021.

It is our intention to apply the PAG re-use process for granting approvals. The full PAG review was previously performed under KDB 498903. We believe this application meets the conditions for PAG re-use as it is a special rf exposure compliance condition. The exact same WWAN authorized modules are re-used in this PC with the exact same algorithm and validation methods for time averaging SAR as approved in KDB 498903.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven C. Hackett'.
