Dear Sirs:

Huawei Technologies Co., Ltd. is authorized to open projects on Hewlett-Packard's behalf for the purpose of radio assessment/certification under the following conditions:

1. This authorization is extended only to the Huawei Model MU736. All product certifications must be performed at the request of Huawei Technologies Co., Ltd.
2. This authorization is extended only for the following certifications/testing: certify radio module under FCC ID: B94HNHWWR.
3. All invoices for services rendered should be sent to Huawei Technologies Co., Ltd. and not to Hewlett-Packard. Licenses and test reports generated on Hewlett-Packard's behalf must be emailed or copied to my attention when completed.
4. No access should be granted to any existing Hewlett-Packard file or project information.

We certify that neither we nor any party to this application are subject to denial of U.S. Federal benefits, which include FCC benefits, pursuant to section 5301 of Anti-Drug Abuse Act of 1988, U.S.C. 862 because of conviction for possession or distribution of controlled substance.

If you have any comments or questions, please feel free to contact me.

Sincerely,

*Walter Overcash*
