RE: FCC Permissive II Change Request for FCC ID: B94HNI72CAM

Dear Sir,

Walter Overcash

Product Regulatory Engineer
Worldwide Technical Regulations
T 512-319-7261
walter.overcash@hp.com

We are submitting an application for a Class II Permissive Change for approval of our tablet PC (FCC: B94HNI72CAM, Original Grant Date: Dec 24, 2015). The transmitter module itself has not changed, but we've added a new radio module.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Walter Overcash". The signature is written in a cursive style and is enclosed in a thin black rectangular box.

Walter Overcash
