Dear Sirs:

Please consider this communication as authorization for Foxconn and their agent Sporton International Inc. to open projects on Hewlett-Packard's behalf for the purpose of Safety, EMC and Radio assessment/certification under the following conditions:

1. This authorization is extended only to the Hewlett-Packard Regulatory Model Number HSTNH-F13C. All product certifications must be performed at the request of Foxconn or Sporton International Inc.
2. This authorization is extended only for the following certifications/testing: Europe's CE marking and national authority notification, the US' FCC, Industry Canada and Taiwan's NCC.
3. All invoices for services rendered should be sent to Sporton International Inc. and not to Hewlett-Packard. Licenses and test reports generated on Hewlett-Packard's behalf must be emailed or copied to my attention when completed.
4. No access should be granted to any existing Hewlett-Packard file or project information.
5. The certifications and test reports should note only Hewlett-Packard's name and Regulatory Model Number. No other company or product identification should be noted on the certificates or test reports.

If you have any comments or questions, please feel free to contact me.

Sincerely,

Walter Overcash
