Dear Mr. Schmidt:

Re: RF notification for United States

I hereby authorize CETECOM to manage the Radio Frequency notification process on behalf of Hewlett-Packard Co., Mobile Computing Division for the following Notebook PC models.

HP OmniBook 500 also known as hp pavilion z1xxx for retail
HP OmniBook 6100 also known as hp pavilion n65xx for retail
(x=any digit from 0-9)

The retail product is identical with respect to construction and RF. Only the name is different for marketing purposes.

Sincerely,

Kathy M. Warnock
