To Whom It May Concern:

Marketing and sales of the CS710 Snow Depth Sensor will be directed solely to parties eligible to operate UWB equipment as stated in FCC 15.507. Installation and operation will be performed by trained personnel. Campbell Scientific will have complete control of marketing and sales of the CS710. The CS710 will not be available to the general public through catalogue or other conventional means. Inquiries not related to the construction of snow or applications listed in FCC 15.507 will be denied.
