Attention: Hiroka Umeyama / Yukari Ito

I have a few comments on this Application.

1. Please note that the device appears more than sufficiently large to include the 2-condition statement on the device. Please provide a label sample of this 2-condition statement and where it will be located on the device. Alternately, please explain how the device meets the exceptions in 15.19(a)(5).
2. The pictures in the manual are not clear. Please provide a manual with discernable information.
