Request for Confidentiality of Internal Photos Exhibit

TCB,

We request that the internal photos exhibit be held confidential. The millimeter wave radar is mounted outside of the car and therefore must be waterproof. To ensure waterproof character, the case and cap (See Internal Photo-1) are sealed with resin. The user cannot open this device without special equipment. Since the DUT cannot be opened by the user, the internal photos should be held confidential.

Thank you,

A handwritten signature in black ink that reads 'Valdis V. Liepa'.

Valdis V. Liepa
Research Scientist
