MD 21046

SUBJECT: Class II Permissive Charge for FCC ID: **BBO19MINI2**

For product: **CB Radio**, with FCC grant date 10/27/2022, FCC ID: **BBO19MINI2**. We, **Cobra Electronics Corporation** would like to modify the authorized equipment below with the following changes:

- Alternate Final RF Output transistor.
- Revised resistor and capacitors values that support the alternate Final RF Output Transistor circuit.

For the above-described changes the following confirmation testing was performed to ensure continued compliance to the original certification:

- Radiated Spurious Emission.
- Spurious Emission on Antenna Port.
- Maximum Transmitter Power Output.

We request an update to the original certification with FCC ID: **BBO19MINI2** to include a Class II Permissive Change for this device based on the test data evidence that demonstrates continued compliance to the applicable FCC rules.

Thank you for your attention in this matter.

Cobra Electronics Corporation
