Re: Cobra Electronics Corporation  
FCC ID: BBOAIR1A  
FCC Part 15C Certification  
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Cobra Electronics Corporation requests that the following documents regarding this submission for FCC ID: BBOAIR1A be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	Block Diagram.pdf
Schematics	Circuit Diagram.pdf
Operational Description	Operational Description.pdf
Part list	BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which Cobra Electronics Corporation considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Cobra Electronics Corporation considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
