

February 28, 2007

Federal Communications Commission  
Laboratory Division  
7435 Oakland Mills road  
Columbia, MD 21046

Ref: FCC ID: BBOMRHH425  
Cobra Electronics Corp.

To Whom It May Concern:

This letter is to confirm that according to the FCC rules and regulations, a Part 80 and Part 95A approval are permitted within one device.

The device has been tested to both rule parts and meets all of the FCC requirements as can be seen in the test reports.

Should you have any questions or require any further information, please let me know.

Regards,

*<Frank DeNuzzo>*
