

## Construction Equality Declaration

2022-02-14

Regarding: Dash Camera model number SC100, FCC ID: BBOSC100

By means of this document, we, Cobra Electronics Corporation, declare the following Changes to model number SC100:

- Change the Bluetooth IC and Bluetooth version
- Updated AC Conducted Emission test report
- Updated Radiated Band Edge Emission test report
- Updated Radiated Spurious Emission
- Updated test report internal photos

The PCB and all components are same per the original FCC filing except for the replacement Bluetooth IC which is pin to pin identical to the original Bluetooth IC.

The product firmware is the same as the original FCC filing except the firmware that resides within the Bluetooth IC.

Sincerely yours,

*Chris deWaal*
