

# SC SERIES Dash Cameras

## Important Product Information

©2020 Cobra Electronics Corporation

### Important Safety Information

#### Safe Driving

Motorists, as well as operators of emergency or service vehicles, are expected to exercise all due caution while using this product, and to obey all applicable traffic laws.

#### Security of Your Vehicle

Before leaving your vehicle, always remember to conceal this device in order to reduce the possibility of break-in and theft.

#### Privacy

This device may not be used to violate the privacy rights of others. In no way will Cobra Electronics or its subsidiaries be responsible for inappropriate use of this product. It is the sole responsibility of the buyer to consult legal counsel for the interpretation of any laws applicable to the area of intended use of this product.

#### Forward Collision Warning System

Warning! The forward collision warning system (FCWS) feature, when turned on, is for informational purposes only. The FCWS does NOT replace a driver's responsibility to use safe driving judgment, comply with all traffic regulations and observe all road and driving conditions at all times. The FCWS uses the camera to provide a warning of upcoming vehicles [and large objects] and, as a result, may have limited functionality in low visibility or certain weather conditions.

#### Lane Departure Warning System

Warning! The Lane Departure Warning System (LDWS) feature, when turned on, is for informational purposes only. The LDWS does NOT replace a driver's responsibility to use safe driving judgment, comply with all traffic regulations and observe all road and driving conditions at all times. The LDWS uses the camera to provide a determine if the vehicle is drifting toward or departing from designated lane markings and, as a result, may have limited functionality in low visibility or certain weather conditions or when driving on unmarked or poorly marked roads.

### Regulatory Information

**NOTE:** This device complies with part 15 of FCC rules: Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

**CAUTION:** Modifications or parts not approved by Cobra Electronics Corporation may violate FCC Rules and void authority to operate the equipment. This device complies with RSS-247 of Industry Canada

#### RF Exposure

FCC RF Radiation Exposure Statement:

1. This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
2. This equipment complies with RF radiation exposure limits set forth for an uncontrolled environment.
3. This equipment should be installed and operated with minimum distance 20cm between the device & your body.

The device has been tested and compliance with SAR limits, users can obtain Canadian information on RF exposure and compliance.

Le présent appareil est conforme Après examen de ce matériel aux conformité aux limites DAS et/ou aux limites d'intensité de champ RF, les utilisateurs peuvent sur l'exposition aux radiofréquences et la conformité and compliance d'acquérir les informations correspondantes.

### SC Dash Cam Series

The 12V adapter (CA-CLAMICRO-01) shall be installed near the camera and be easily accessible. The adapter output is 5V DC / 2.5A

This device is operated the frequency bands(s) and the maximum output power (E.I.R.P) :

WiFi:	SC100	SC200	SC201
2402MHz – 2480MHz:	7.03dBm	3.78dBm	9.73dBm
2412MHz – 2472MHz:	18.09dBm	17.60dBm	17.83dBm
5470MHz – 5725MHz:	9.43dBm	5.68dBm	19.38dBm
5725MHz – 5875MHz:	4.67dBm	0.86dBm	13.46dBm
GPS: 1559-1610MHz			

### Product Service and Support

For any questions about operating or installing this new Cobra product, **PLEASE CONTACT COBRA FIRST**...do not return this product to the retail store. The contact information for Cobra will vary depending on the country in which you purchased and utilize the product. For the latest contact information, please go to [www.cobra.com/support](http://www.cobra.com/support)

**The operating temperature range is -10C to 60C**

**The product label is located on the unit.**

#### For Products Containing Internal Batteries

An attempt to open the device and remove/replace the battery could result in damage to the device or battery and result in a voided warranty. Batteries should not be exposed to excessive heat such as sunshine, fire or the like.

#### Limited Warranty

This Cobra product is warranted against all defects in materials and workmanship for a period of one (1) year from the date of original purchase, when purchased from an authorized Cobra dealer. The conditions of this Limited Warranty and the extent of responsibility of Cobra Electronics Europe Ltd (CEEL) under this Limited Warranty are as follows.

1. This Limited Warranty will become void if service is performed by anyone other than an approved Cobra Warranty Service Centre that results in damage to the product.
2. This Limited Warranty does not apply to any product which has been subject to misuse, neglect or accident, or which has had the serial number altered, defaced or removed, or which has been connected, installed, adjusted or repaired, other than in accordance with the instructions provided by Cobra Electronics.
3. Should you have any difficulties with the performance of this product during the warranty period, please call Cobra Electronics Europe Ltd, or visit our web site [www.cobra.com/support](http://www.cobra.com/support). You may also contact Cobra Electronics Customer Services at the address listed for any service help you may need with Cobra products.

- Proof of purchase from an authorized Cobra Electronics dealer will be required for any warranty service of this product.
- Cobra Electronics products purchased from a source other than an authorized Cobra Electronics dealer, including any and all purchases via the internet from a non internet authorized Cobra Electronics dealer, shall not be covered by any Cobra Electronics limited warranty to the extent allowed by applicable law.
- This limited warranty gives you specific legal rights, and you may also have other rights which vary from EU country to EU country.
- All implied warranties, except to the extent prohibited by applicable law, shall have no greater duration than the warranty period set forth above. Under no circumstances shall Cobra Electronics be liable for any loss or damage, direct or consequential, arising out of the use or inability to use the product. Because some EU countries do not allow limitations on how long an implied warranty lasts or exclusions or limitations of incidental or consequential damages, the above limitations or exclusions may not apply to you.
- Product must be shipped in its original carton or equivalent carton, fully insured, with shipping charges prepaid. Cobra Electronics will not assume any responsibility for any loss or damage incurred in shipping.
- The sole responsibility of Cobra Electronics under this Limited Warranty shall be limited to the repair of the product or the replacement of the product only (whichever is deemed appropriate and at the sole discretion of Cobra Electronics Europe Ltd).
- This Limited Warranty does not cover car static or other electrical interferences, labour costs or any other associated or incidental costs incurred for the removal or reinstallation of the unit for repair.

### Disposal of Old Electrical or Electronic Equipment

This product may contain hazardous substances that could impact health and the environment if not disposed of properly.

The crossed out wheeled bin symbol indicates that the product should not be disposed of along with household waste. It should be handed over to an applicable collection point for the recycling of electrical equipment. By ensuring that this product is disposed of correctly you will help/prevent potential negative impact on the environment.

If you need more information on the collection, reuse and recycling systems, please contact your local civic office or the shop where it was originally purchased.

### Trademarks
