For the attention of the FCC (Bette Taube)

Dear Bette

Further to our conversation today I confirm that I have made an error earlier today when I uploaded a filing for Casio Computers Co. Ltd. under FCC ID: BBQIT3000 as if I was the manufacturer rather than as a TCB.

I should be very grateful if the FCC could dismiss / delete this EA application so that I can re-upload as a TCB filing using the same FCC ID. My apologies for the inconvenience.

Yours sincerely
