

## WARNING

Please read carefully through these Safety Guidelines prior to using this product.

### GENERAL SAFETY INFORMATION!

- If you have a pacemaker or other electrical medical devices, consult your physician before using this product.
- Always keep the product out of reach from children! The packaging material contains small parts that may cause choking if ingested.
- Never try to dismantle the product or accessories yourself, and do not replace components (unless applicable) or push objects into the product. Only authorized dealers or service centres may open the products.
- If the product comes with a cord, avoid putting unnecessary tension or strain on the cord, including rolling the cord around the body of the product, as this could damage the product.
- Please be cautious to keep all products, cords, and other accessories in a safe operating environment and avoid exposing your product to rain, moisture, or other liquids (if not designed for this use).
- If the product has ear tips, the ear tip should rest against, but not enter the ear canal.
- If the product overheats, has been dropped and damaged, has damaged cord or plug, or has been dropped in a liquid, then discontinue its use and contact GN.
- Observe all signs and instructions that require an electrical device or RF radio product to be switched off in designated areas such as hospitals or aircrafts.
- Use of a headset will impair your ability to hear other sounds. Use caution when you are engaging in activities that requires your full attention e.g. traffic.
- If product is charged with a USB cable, use only a suitable USB cable which is in good condition, and charge/power the product according to the instructions.
- For maintenance, Unplug the product or charger before cleaning. Clean the product by wiping with a dry or slightly damp cloth. The cord and charger may only be dry-dusted.
- Dispose of the product according to local standards and regulations (see [www.blueparrott.com/weee](http://www.blueparrott.com/weee), or [www.jabra.com/weee](http://www.jabra.com/weee)).

For further instructions and guidelines on usage, refer to [www.jabra.com/warning](http://www.jabra.com/warning), or [www.blueparrott.com/warning](http://www.blueparrott.com/warning).
