### **Applicant's declaration concerning RF Radiation Exposure**

We hereby indicate that the product  
GN9120 Wireless Headset  
is considered to be a portable transceiver (body worn).

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

The appropriate information can be drawn from the test report no. G0M20211-7347-T-18 and the accompanying calculations.
