Request of dismissal

GN Netcom A/S
FCC ID: BCE-HFS002
FCC Part 15 C Certification

Gentlemen,

Herewith we kindly request to dismiss following incomplete listing:

Form 731 Confirmation No.: EA465135
FCC ID: BCE-HFS002
Equipment calss: DSS
Date: 2010-09-20

Due to following reason:

By doing the upload to the FCC database as logged-in TCB on 2010-09-20, a mistake in our database occurred and the upload was not completed as logged-in TCB.

Hence of this mistake we got an "EA465135" confirmation no. but this upload was not completed

This device is a composite device subject and we have already listed one FCC Grant under this FCC ID (BCE- HFS002 with the Equipment class: DXX) and we need to complete this composite devise subject with the second Form 731 Application within the 5 days.

We aim at uploading this second Form731 Application with the Equipment class: DSS again under TCB filing scheme.

If you have any questions regarding this application, please feel free to contact us.

Sincerely,

Jörg Kusig
Head of Certification Body, TCB
