**Subject: Application for Certification
GN Netcom Inc.
FCC ID: BCE-HHB600**

Dear Sirs,

Submitted herewith, on behalf of GN Netcom Inc. is an application for certification of the following 2.4 GHz Bluetooth headset:

FCC ID: BCE-HHB600

A SAR test has been carried out for the headset.

Attached are the 731 form, authorization letter, confidentiality request letter, technical description, test report (TestRpt1 = test data and TestRpt2 = test plots), RFExp, FCC ID label and label location information, test setup photographs, internal and external photographs, operational description, part's list, block diagram, schematics and the user manual.

In accordance with 0.459 of CFR 47 GN Netcom Inc. hereby requests confidentiality of all Technical Specifications, Block Diagrams, Circuit diagrams, Circuit Description, Part lists, and Operational description attached for the subject application (see Confidentiality request letter).

Please review the report and documents and submit them to the FCC for Certification as a single application.

Should you have any questions or comments concerning the above, please contact the undersigned.

Best Regards

Axel Müller

A handwritten signature in black ink, appearing to read 'Axel Müller', is positioned to the left of the contact information.
