Applicant's declaration concerning RF Exposure

Federal Communications Commission

Re: application for **FCC ID**: BCE-OTE28 - Jabra OTE28 *Bluetooth*[®] Headset

We hereby indicate that the product

Jabra OTE28 *Bluetooth*[®] Headset

is considered to be a portable transmitter for General Population/Uncontrolled exposure.

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

As Jabra OTE28 is transmitting max. 4 mW, it is excluded from routine environmental evaluation for RF exposure as it does not fall under the product categories listed in Section 2.1093 of the FCC's Rules.
