## Applicant's declaration concerning RF Exposure

Federal Communications Commission

Re: application for **FCC ID:** BCE-OTE3 - Jabra OTE3 *Bluetooth*<sup>®</sup> Headset

We hereby indicate that the product

Jabra OTE3 *Bluetooth*<sup>®</sup> Headset

is considered to be a portable transmitter for General Population/Uncontrolled exposure.

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

As Jabra OTE3 is a Bluetooth Class 2 device (1 mW (max. 2.5 mW)) it is excluded from routine environmental evaluation for RF exposure as it does not fall under the product categories listed in Section 2.1093 of the FCC's Rules.
